

## Devyn Kious

2018-2019 *Membership Director North*  
Butte College  
Graduation: May 2020

Hello fellow nursing students!

I am honored to server as your Membership Director North for the 2018-2019 year, and we have a very exciting year ahead of us!

I am a first semester nursing student at Butte College. I have been involved in my schools' chapter this last year and have some great ideas that I would like to share with other school chapters. My goal is to be on my chapters board in the near future. I also have a Bachelor of Science in Health Science Administration. While getting my degree I served as an active member of the Student Association of Healthcare Executives. This degree has made me into the leader that I am today and helps me to understand what goes on behind the scenes in healthcare.

My goals for this year are:

- Help school chapters create permanent email addresses for chapter presidents.
- Help create new chapters and strengthen chapters already in place.
- Host Membership Meeting North for students to gain information.

I am honored to be a part of an amazing organization like CNSA. I want to make an impact on nursing students, and I know that I can achieve this with my position on the board. Together we will continue to grow and because amazing nurses and leaders!

Please feel free to contact me with any question, comments, or ideas regarding CNSA or chapters. You can contact me at [north@cnsa.org](mailto:north@cnsa.org). I look forward to hearing from you!
