

Kaitlin Suchanek

Membership North Director

Hello, friends!

My name is Kaitlin Suchanek, and I am honored to be serving as your Membership North Director for the 2019-2020 term. I am a senior in the pre-licensure BSN program at Sonoma State University and will be graduating in May. Having served as the Mentorship Director for my school's CNSA chapter this last year, my heart was filled by ensuring everyone on our campus had someone intentionally supporting them through nursing school. It is my same wish to make sure nursing students throughout California feel a similar sense of community.

During this year, it is my dream that the California Nursing Students' Association will:

- Witness new chapters establish their roots and flourish.
- See existing chapters strengthened and empowered.
- Experience unity as students come together to engage in life-giving events – such as Membership Meeting North and South, community health events, our Annual Convention, and more!

I am thrilled to meet you, and always available to help you in any way I can. Feel free to contact me at [north@cnsa.org](mailto:north@cnsa.org) if you want to find out how to get more involved in CNSA.

With gratitude,

Kaitlin Suchanek
